Journal of Economic Perspectives— Volume 3, Number 4—Fall 1989— Pages 217–218

Index By Author to Volume 3

This index lists all material in the third volume of the Journal of Economic Perspectives. Volume 3 includes the Winter, Spring, Summer and Fall issues distributed in 1989. Articles in this index are listed alphabetically by last name of author. Where an article has more than one author, the article is listed separately under the name of each co-author; the listings that differ from the way the article originally appeared are marked with a star.
